Hello,

We sincerely appreciate your interest in volunteering for Faith in Action of Marathon County (FIAMC). Your willingness to serve our senior neighbors is invaluable, and your commitment is a vital lifeline for them. We are grateful for your dedication and the positive difference you will make in their lives.

Our organization provides essential services to our senior neighbors, and *the need for these services in Marathon County is significant. Your contribution, no matter how big or small, can create a real and significant difference.*

We have enclosed information about the program along with a Volunteer Application. Please complete the requested information and return it in the self-addressed, stamped envelope.

Once we receive your completed form, we will request information from each of the personal references you list and conduct a mandatory criminal background check. We will then call you to set up a time for your initial Volunteer Training/Orientation. The session takes about 45 minutes. During this time, we will review the "Faith in Action Volunteer Handbook" with you, address any questions or concerns you might have, and provide you with the necessary guidance and support to start your volunteer journey.

We are excited and look forward to the positive impact you can make by serving our senior neighbors through our agency, Faith in Action of Marathon County. We look forward to meeting you and welcoming you to our team.

If you have any questions, please contact us at the Faith in Action of Marathon County office at **(715) 848-8783** or wausaufiinfo@gmail.com

With Kind Regards,

*Alison Jirschele
