OUR MISSION

Faith in Action of Marathon County is a non-profit organization that welcomes all senior residents. We connect compassionate volunteers with senior neighbors (60+) by building solid relationships based on empathy. We offer quality services at NO COST so seniors can live in their homes as long as possible. All services are provided regardless of income, religious belief, race, or ethnic background.

The heart of Faith in Action is our community. Every volunteer who gives their time, every donor who makes a gift, and every community partner who stands beside us helps older adults throughout Marathon County remain independent and connected. Your support provides more than services—it offers friendship, dignity, and hope. Thank you for making our mission possible and for showing that when a community comes together to care for its neighbors, lives are changed.

VOLUNTEER SPOTLIGHT

Our volunteers are the ❤️ of everything we do.

Meet Mike! His generosity and compassionate support make a meaningful difference in the lives of the local seniors we serve. As a dedicated Faith in Action volunteer, Mike enjoys providing rides to medical appointments to older adults needing a helping hand.

Mike considers himself very fortunate. After a long, fulfilling career, recently retired and blessed with a close-knit family, Mike wants to give back to the community he calls home. Reflecting on his volunteer experiences, Mike shares, "Care receiver's will often express sincere gratitude and appreciation for alleviating their transportation worries. This allows them to focus more on recovering. For me, making that kind of lasting impact is priceless".

Thank you, Mike, and thank you to all of our volunteers for your commitment to serving others and embodying the spirit of Faith in Action. Your kindness, compassion and generosity help older adults remain independent and connected.
